

European Championships were held 12th-15th May in Latvian Daugavpils. Junior's and Veteran's championships were held the same time together with professional class. Participants of 21 countries took part of this competitions. First six countries of team competition were: Russia (278 points), Ukraine (250 points), Latvia (207 points), Lithuania (181 points), Ireland (153 points), Kazakhstan (133 points).

Ladies one arm long cycle was a part of official competition program. OALC will be on World Championships in Seoul too. Double arm LC for ladies will be just "trial LC competition".
