

Finally after long lockdown we had the first International kettlebell competition. European Open Championship in age groups was held in real mode from September 28 to October 5 in Naestved, Denmark, in compliance with all the necessary safety measures caused by the COVID-19 pandemic.

The strongest teams 2020 in Europe are: Juniors U-22 1st place – Ukraine 2nd place – Latvia 3rd place – Estonia. Professionals 1st place – Ukraine 2nd place – Latvia 3rd place – Denmark Veterans 1st place – Ukraine 2nd place – Latvia 3rd place – Denmark

We also congratulate and thank all the athletes who took part in the competition and once again confirmed the triumph of sports in these difficult conditions! World Kettlebell Lifting Championship will also be held in St. Petersburg (Russia) 19-23 November. We are confident that this competition is an important landmark for the global roaring movement.

We hope to see you on our next kettlebell events!
