

Saint Petersburg International Festival of Kettlebell sport "White nights" was held May 9-15, 2014 in St. Petersburg. It was a few different competitions during one week. The festival included these competitions:

- international tournament of kettlebell jungling,
- comp of Grand Prix series,
- third stage of World cup 2014,
- European championship,
- European championship among juniors,
- European championship among veterans.

Thirty countries were represented here. It was really interesting kettlebell event!
