

**European kettlebell Cup** and **World Championship among seniors and veterans** were held in Zagreb (Croatia) 19-20 of October. It was great kettlebell event. There competed more then 200 athletes from 21 countries.

There are a lot of great results. For example Italian sportsman Mattia Amodio won LC in 85 kg weight class with result 90 reps. It's new world record. Anton Anasenko achieved new record in snatch – 207 reps. Croatian team won relay among veterans. They achieved better result then Russian team.

The next kettlebell event will be in Russia – IUKL World Championship. November 20-24.
