

The second **stage of World kettlebell Cup** and **Open European Cup** were held in Saint Petersburg (Russia) 21-24 May. Participants from 10 countries came there.

For Russian athletes it was a chance to achieve MSWC rank, because one of conditions is getting medal of official International competition. Six athletes did it – they achieved results of national MSWC rank. Russian national team members tried to save energy for final of Russian Championship which will be in one week.

Team competition result looks: 1-st place – Russia, 2-nd place – Kazakhstan, 3-rd place – Estonia and Belarus with same points.
